

WEEKEND PERMANENT TEE TIME APPLICATION

Primary Agent of Tee Time

Day of Week

Tee Time

of Holes
18

PERMANENT TEE TIME REGULATIONS

1. A \$240.00 non-refundable fee is required to reserve each 18-hole permanent tee time, and \$120.00 for a 9-hole permanent tee time. You may mail your application to the course or pay in person. Checks should be made payable to **Village Greens of Woodridge**.
2. **The Permanent Tee Time schedule begins the weekend of April 10/11 and ends the weekend of September 4/5. Please note that there will be no permanent tee times on April 24/25 and July 17/18 due to a special event.**
3. The Primary Agent listed above is responsible for guaranteeing four (4) paid greens fees each week. Failure to comply with this rule once will result in a warning. Failure to comply twice will result in tee time default until all unpaid greens fees are satisfied. If a tee time becomes in default for more than 2 weeks, it will become available for re-sale to the public.
4. Each group is responsible for obeying all posted course rules, including the pace-of-play policy, dress code policy, and food & beverage policy. These policies are available to the public upon request. Failure to comply with course rules and regulations may result in forfeiture of your permanent tee time.
5. The golf course management reserves the right to fluctuate tee times.
6. The name of the Primary Agent listed above "owns" the tee time. If you wish to transfer the tee time to another party, we must receive your request in writing. In the event the Primary Agent can not be contacted, we will offer the tee time to "Player # 2" on the player profile sheet from the most recent season.
7. Return completed applications by **Sunday February 28, 2010 with the deposit.**
